

Dear Friend,

Thank you for your interest in Eternal Light of Hope in Mankind (ELOHIM). Our mission is to offer men and women transitional housing as well as teach skills that allow them to become self-sufficient, independent, and drug and alcohol free.

Toward that end, we recently opened The Belmont Training Center (BTC), located at 1892 Belmont Avenue Bronx, N.Y. 10457. BTC is a place to live, learn and reshape destinies. This brand-new residential living and training location is beautiful and is equipped with thirty-seven studio apartments, modern appliances, large windows, marble tile bathrooms, wood panel floors, a private bike storage room, a conference center, an outdoor workspace, and a laundry facility on the premises.

Our goal is to fill this new home with Veterans who need a hand-up, not a hand-out. But we have to furnish the place first. So, we are reaching out to our neighbors for the following types of items:

- Furniture (couch, comfortable chairs, coffee and end tables)
- Lamps
- Rugs
- Dining Room furniture
- Curtains
- Cookware (pots, pans, silverware)
- Beds and bedding (bedframes, mattresses sheets, blankets)
- Pillows
- Dressers and storage
- And anything else that typically goes into a home!

We hope that you can help provide one or more of these items, or something we haven't thought of here. Or if you prefer, you can make a cash donation through our website at [www.eternallightofhope.org](http://www.eternallightofhope.org) and earmark it for this project!

For in-kind donations, please reach out to me at 347-862-0161 or [walker9964@gmail.com](mailto:walker9964@gmail.com).

Thank you in advance for your help and support. We genuinely appreciate it.
